for a very long time. We didn't know whether we would be able to until two weeks before closing! We saw the provision of God at work so much that it had us in tears. We were overjoyed during the Christmas holidays, looking forward to beginning the new year as homeowners. Although it pained us that we didn't celebrate Christmas together in worship as usual, we were distracted by moving. We are still filled with a new song of gratitude to God, even now as I write this note. (I always think of Miriam's song after the Israelites crossed the Red Sea.)

"Put your trust in [God] always...pour out your hearts before him, for God is our refuge." (Ps 62:9 – BCP, p. 669). During the past 26 years, the Lord has guided our family through 11 countries including the United States where we have now spent the longest time (14 years!). I am so blessed to be amongst you here at Saint Andrew's. I have seen God at work in your lives as well as in mine. Ash Wednesday will be here soon, on February 17th, and we are hoping that things will have returned to normal to some degree. I am hoping and praying that we will soon be able to resume our Bible classes.

May God be with you, and may this year 2021 be different and better than 2020. May you also tell others of God's greatness and lift Jesus' name up higher!

Fr. Christian Senyoni

FEBRUARY

BIRTHDAYS

Dear Parishioners and Friends of Saint Andrews,

February has come as fast as expected, but somehow it felt even faster. We get busier and busier, and we often fail to stop and reflect and look back at the path we have just crossed by the grace of God. I want to take this opportunity to thank God for his love for me and my family, for His listening to those faithful prayers of yours, prayers to God for your priests and their families. I want to tell you that your prayers are indeed effective and to please keep them coming.

At the very end of 2020, we found ourselves looking to purchase a home. This had been a dream in our family
