Dear Saint Andrew's Parishioners and Friends,

The Lord is good! (Response: His Mercy endures forever!) Recently, I looked at two conflicting ideas regarding the issue of looking back. Generally speaking, the Bible is against looking back when it comes to returning to our past deplorable or sinful behaviors. Lot's wife became a pillar of salt after disobeying God's instruction to not look back at the burning cities of Sodom and Gomorrah. Believers are supposed to live in the light and forsake works of darkness. We need the Holy Spirit's daily guidance. The other idea of looking back in the Bible is about remembering events of the past where God has acted so that we may be encouraged. Israel was encouraged to remember God's deliverance from Egyptian slavery, which is the Passover Feast. The two ideas are not contradictory because the latter one was considered as bringing the event of the past into the present. I pray that our looking back would be to marvel at what God has done for us this past month and be grateful. We are certainly grateful for you and your journey with us at Saint Andrew's. You are loved and prayed for every day.

Let us know if you don't get your mailing; however, we always have extra forms in the office. Thank you for your love and faithfulness in supporting the ministry of Saint Andrew's.
