There are numerous speakers on podcasts and YouTube who provide overviews of the Enneagram as well as more in-depth information about each type. SOLO: HOW CAN I KEEP FROM SINGING?

words and tune by Robert Lowry, 1826–1899; arr. by Alan Bullard, b. 1947

My life flows on in endless song,
above earth's lamentation;
I hear the clear, though far-off hymn
that hails a new creation.

Through all the tumult and the strife,
I hear the music ringing;
it finds an echo in my soul,
how can I keep from singing?

What though the tempest loudly roars,
I know my Savior liveth;
although the darkness binds me close,
deep in the night sweet songs He giveth.

His inner peace makes fresh my heart,
a fountain ever springing;
since love is Lord of Heav'n and earth,
how can I keep from singing?
